9th February Eighteen Sixty Two

Dear Mr Sanderson,

Thank you for the references, which my secretary Mr Cameron received from you.

I am pleased to appoint you as Schoolmaster for my elder two children, Robert and Eleanor, who will shortly turn five. They are bright, intelligent children and I am keen that they should start formal education as soon as possible. Robert obviously will be sent up to Dulwich, but I would rather he had personal tuition to give him a head start. Eleanor will be educated at home for the foreseeable future.

Please make your way to Northmoor House,
Dulverton, Somerset as soon as possible,
where you will find the children with
their nurse.

I look forward to welcoming you to my
employment.

Yours Sincerely,

William Northmoor,
Baron Exmoor
