Dear Mr Haggerstone,

I wish to confirm that as requested I have transferred £55,000 from your savings account into the working capital of Haggerstone Investments.

This leaves a sum of £5,000 remaining in your savings account.

If there are any changes you wish to make to the investment schedule, please telegram before 21 December, otherwise investments will proceed as discussed.

I look forward to working with you closely in the future.

Yours,

Kelvin Fitzsimmons
